CONSENT TO OPERATION OR PROCEDURE AND ANESTHESIA

I request and consent to a surgical procedure called

_____

_____

_____

and I understand that the purpose of this procedure is

_____

_____

This procedure will be performed by _____

I have been advised that this procedure may have potential benefits, risks and side effects including but not limited to

_____

_____

_____

I have been advised of the alternatives, benefits and side effects related to the alternatives. I have been advised of the likelihood of achieving my goals and any potential problems that might occur during recuperation.

- **I consent** to the administration of anesthesia and related drugs, as deemed necessary by the staff members from **Stony Brook Anaesthesiology, UFPC.**
- **I understand** that unforeseen complications or conditions may arise during this procedure and I consent to any additional procedures that the physician(s) may deem advisable in their professional judgment.
- **I understand** that portions of the operation/procedure may be photographed or videotaped. I understand that every attempt will be made to conceal my identity. I understand that some of these photograph/videotapes may be used for teaching and may not be maintained or be a part of my medical record. I also understand that photographs/videotapes to plan, monitor or document my treatment may be part of my medical record.
- **I understand** that residents, medical, nursing and allied health students/trainees may be present during the procedure and they may observe or assist in my care, under the direction of my surgeon and/or other hospital staff members.
- **I understand** that a sales/clinical representative may be present during the procedure, but may not participate in the procedure.
- **I impose** no specific limitations or restrictions on my treatment **unless** written below:

_____

_____

I understand that the practice of medicine is not an exact science and I acknowledge that I have received no guarantees about the benefits or results of this treatment. I have read this entire document and understand it. I have been given the opportunity to ask questions and my questions have been answered to my satisfaction.

CONSENT TO OPERATION OR PROCEDURE AND ANESTHESIA

ASSESSMENT AND REASSESSMENT OF PATIENT VERIFICATION

Only Outpatient /Same Day Surgical and Invasive Procedures **MUST** have the History and Physical Examination completed within 30 days and updated within 24 hours of surgical/invasive procedure.

SURGERY/PROCEDURE SIDE/SITE VERIFICATION Check one:

ATTENDING SITE/SIDE VERIFICATION

☐ I have marked the site(s) and side(s) of surgery as required by Stony Brook University Hospital policy.

OR

☐ The site/side marking(s) of the _____

as required by Stony Brook University Hospital policy

could not be done for the following reason(s) _____

_____

I verify that I have reviewed this consent and confirm the accuracy of the document including the description of the procedure. I have reviewed the operative/procedural plan with the Anesthesiologist and the Nursing staff. I have reviewed the History and Physical, examined and reassessed the patient and verify that there are no new findings. If new findings have been identified, the History and Physical has been updated accordingly. I verify that I have reviewed this consent and confirm the accuracy of the document including the description of the procedure. I have determined this specific operation/procedure is indicated at this time.

Attending Physician Performing Surgery/Procedure Signature	**ID#**	**Date**	**Time**

ANESTHESIOLOGY SITE/SIDE VERIFICATION

I confirm that I have verbally verified the correct operative/procedural site/side with the patient. If the **patient's** status prohibits verbal verification of correct site/side, **verification** was obtained utilizing the medical record.

Attending Anesthesiologist Signature	**ID#**	**Date**	**Time**

NURSE SITE/SIDE VERIFICATION

I confirm that I have identified the operative site/side and that the patient is marked or an exception was documented as above. There is oral agreement among the Attending Physician performing the operation/procedure, the anesthesiologist and myself.

Nurse Signature	**ID#**	**Date**	**Time**

****Documentation of the Time Out Process is noted in the Intra-Operative Report or Universal Protocol/Time Out Note.***

An interpreter or special assistance was used to verify site/side verification for this patient.

(Name of Interpreter)	**ID# as applicable**	**Date**	**Time**
