

A Healthy Heartbeat

Music from the Heart

Heart

$\text{♩} = 60-100$

Andante moderato.

The musical score is written on six staves of music. It begins with a treble clef, a key signature of one flat (B-flat), and a 3/4 time signature. The tempo is marked 'Andante moderato.' and the pulse is indicated as $\text{♩} = 60-100$. The melody consists of a series of eighth and quarter notes, with some notes beamed together. There are several slurs under the notes, and the piece concludes with a double bar line.

I

A healthy heartbeat is our favorite song.

NOTHING SOUNDS BETTER THAN A HEALTHY HEART. But when a heart develops an arrhythmia, causing it to beat too weakly, too fast or just irregularly, it can cause more than discord. It can endanger your life. That's why the electrophysiologists at the Stony Brook Heart Rhythm Center use the most advanced 3D mapping technology to locate the precise heart tissue causing the problem. So our team can perform accurate ablation procedures on even the most complex arrhythmias. And your heart can sound like music to your ears.
