August 2021

Dear Patient,

With mixed emotions and heartfelt gratitude, we announce that on August 19, Michael Chiarello, PhD, NPP, BC, will be retiring after more than 20 years of loyal service to Setauket and the surrounding communities. Dr. Chiarello has been a part of so many peoples' lives in our community and has been fortunate to have many long-time relationships with his patients.

Here at Stony Brook Community Medical, we understand that changing doctors can be overwhelming. We remain committed to being a comprehensive psychiatry practice with unmatched expertise. Please note we will continue operating out of our South Setauket location with Filomena M. Buncke, PhD, NPP, BC, Kimberly Buncke, PMHNP-BC and Jill Bruning Hindes, MS, PMHNP-BC.

If you have any questions or concerns, please feel free to reach out to the office for more information at (631) 689-5390. We look forward to hearing from you and providing the level of care you have come to expect from our practice.

Sincerely,

All Island Behavioral Health
