February 2022

Dear Patient:

With heartfelt gratitude, we announce that Dr. Devendra Singh has retired after more than 40 years of providing compassionate care to patients in East Moriches and the surrounding communities. Dr. Singh has had a remarkable career in primary care medicine. He has been an integral part of caring for our community, with long-standing relationships with his patients.

To say that Dr. Singh will be missed is an understatement. We are thankful that he was a part of East Moriches Primary Care and wish him all the best in his retirement.

Although Dr. Singh is retiring, we remain committed to being a comprehensive primary care practice with unmatched expertise. Please note we will continue seeing patients out of our East Moriches location with Ranjana D. Mehta, MD and Harold Flockhart, ANP-BC. If you have any questions or concerns, please feel free to reach out to the office for more information at (631) 878-1543.

We look forward to hearing from you and providing the level of care you have come to expect from our practice.

Sincerely,

Ranjana D. Mehta, MD
