GUARANTEE OF PAYMENT

Many insurance companies, including managed care organizations, require prior written authorization for treatment and follow-up visits. It is your responsibility as a patient to obtain all necessary authorizations from your insurance company prior to receiving medical services. If you have not received prior approval for the service or authorization has been denied, you are fully responsible for all charges if your insurance company does not agree to pay. In addition, you will be responsible for all deductibles, co-insurance, co-payments, any service that is not covered by your insurance plan, and any service that your insurance company has determined not to be "medically necessary".
