

#### Dear Applicant:

Thank you for your interest in the Stony Brook University Hospital Volunteer Program. **To expedite the application process, please carefully review the information below.** 

All applicants are required to make a commitment of at least 100 hours of service. If you are only interested in volunteering during the summer months, please be sure to allow yourself enough time to complete the application process so that you can meet the hour requirement. Summer applicants should submit their applications no later than April and must complete the orientation process prior to the end of June.

Applications are accepted:

Monday through Thursday
Between the hours of:
9:30am-11:30am and 2pm-4pm

#### Applications are not accepted on Fridays or Holidays

Walk-ins are accepted; however we strongly recommend that you call the office on the day you would like to submit your application to confirm that a staff member will be available to meet with you. Please note: Volunteer Services is not open on holidays.

 For your convenience, the on-line application is fillable. You can type in your information and then print the application for your physician to complete. When printing application, please do not print double-sided. Only completed applications will be accepted.

#### Did you:

- ✓ Complete both pages of the application
- ✓ Have your parent or guardian sign the consent forms
- ✓ Complete the Employee Health Screening Pre-Admission Questionnaire
- ✓ Have your physician complete the Volunteer Health History Form AND Medical Reference Form
- When arriving at University Hospital please park in the visitors parking garage and bring in your
  parking ticket for validation. We can only validate tickets upon presentation. Our office is
  located on the second floor of the hospital; please stop at the Information Desk for a visitor pass
  and directions.
- When you arrive at the Volunteer Office, your complete application will be reviewed by the
  Volunteer Services staff (only complete applications will be accepted). At that time, you will be
  scheduled for an orientation appointment. If you do not have documentation of two MMR
  vaccines, and/or two Varicella vaccines, you will be given the opportunity to schedule an
  Employee Health Assessment. Information outlining the health requirements to volunteer is
  included in this application packet.

If you have any questions about the application packet, please call the Volunteer Office at 631-444-2610 or visit the volunteer section of www.stonybrookmedicine.edu.

## Health Assessment Information for Volunteer Applicants

The following information from your private physician documented on the attached **Volunteer Health History form** and **Medical Reference form** is needed to satisfy the health requirements for volunteering. Please be sure to carefully read each item listed below.

#### 1. Two MMR (Measles, Mumps, Rubella) Vaccines\*

OR

Positive Titers: Documented on a Lab report including Lab values for:

Mumps – IGG Rubella (German Measles) –IGG Rubeola (Measles) – IGG

- \* A copy of your immunization records generated from the New York State Immunization Information System (NYSIIS) will be accepted documentation if printed and submitted by your physician's office.
- 2. Two Varicella (Chicken Pox) Vaccines\*

OR

Positive Titers: Documented on a Lab report including Lab values

- \*A copy of your immunization records generated from the New York State Immunization Information System (NYSIIS) will be accepted documentation if printed and submitted by your physician's office.
- 3. <u>Tuberculosis Screening</u>

## Two step PPD testing

One Negative PPD (dated within 3 months) documented as follows for initial clearance:

Date planted
Result in millimeters
Date read
Signature, Stamp and License Number by an M.D., P.A. D.O. or N.P.

<u>Booster PPD</u> (second PPD test) is required for final clearance no later than 2 months after initial clearance.

Individuals with a history of a positive PPD must provide a negative chest x-ray report. You may not substitute a negative chest x-ray report with a negative Quantiferon Gold.

#### OR

One Quantiferon Gold (a type of blood test that is used to diagnose tuberculosis). Negative result documented on a lab report (dated within three months).

#### 4. Influenza Vaccination (Seasonal Flu Vaccine)

All volunteers must receive a seasonal influenza vaccine **OR** <u>unvaccinated</u> <u>volunteers</u> **MUST** wear a surgical mask at all times while in areas where patients may be present during the period the NYS Commissioner of Health determines the influenza season is underway. In addition to wearing a mask, volunteers who choose not to be vaccinated must complete a declination statement each flu season. Declination statements will be available during flu season in Volunteer Services.

If you do not have a positive titer or documentation of two doses of the MMR vaccine and/or the Varicella Vaccine, Volunteer Services will schedule an appointment for you when you submit your application at no cost at Stony Brook Employee Health Services. All other requested medical information must be completed by your physician.

Please note all medical documentation not documented on the Volunteer Health History form, from NYSIIS, or on an official lab report must contain the printed name, signature and license number of the practioner. Documentation is only accepted from an MD, NP, PA or DO. Documentation by an RN will not be accepted unless the RN or is an Employee Health or Student Health Nurse and proof of such is required.
