January 2025

Dear Patient,

We are reaching out to inform you that, effective **March 1, 2025**, Long Island Diabetes & Endocrinology will be closing. Your choice of where to receive care is important to us. We remain deeply committed to ensuring you continue to have access to the same compassionate, comprehensive care you've come to expect as one of our patients.

We are pleased to offer you the opportunity to transition your endocrine care to Stony Brook Endocrine Consultants, where our expert providers are ready to meet your needs.

To make this process seamless, Stony Brook Endocrine Consultants uses the same electronic medical record (EMR) system as Long Island Diabetes & Endocrinology. This means your medical records will already be accessible, and there's no need to request a transfer if you choose to continue your care with this practice.

Stony Brook Endocrine Consultants

- **Phone:** (631) 638-4933
- **Address:** 200 Motor Parkway, Suite C-16, Hauppauge, NY 11788

We understand that this transition may bring some challenges, and we truly appreciate your understanding and patience. We are confident that the Stony Brook Endocrine Consultants team will provide you with the high-quality care you deserve.

Should you choose to receive your care outside of a Stony Brook Medicine provider, you can request them online by completing the form available here:

[Medical Record Request Form](#)

If you have any questions or concerns, please don't hesitate to contact our office. Thank you for trusting Long Island Diabetes & Endocrinology with your care, and we wish you the very best in your ongoing healthcare journey.

Warm regards,

The Long Island Diabetes & Endocrinology Team
