

Suffolk County Office of Emergency Management

East Ave, Yaphank, NY 11980

(631) 852-4900

<https://www.suffolkcountyny.gov/Departments/FRES/Office-of-Emergency-Management>

The Office of Emergency Management (OEM) coordinates the county's response to natural and man-made disasters. OEM personnel are responsible for development of the Comprehensive All-Hazards Emergency Management Plan, the operation of the county's Emergency Operation Center (EOC) and work with local, state, and federal officials in all aspects of shelter management, planning, resource management, and emergency response and recovery activities.
