Welcome

Our goal is to provide top notch service, incredible food and complete client satisfaction. Deliciously prepared and creatively presented food can make you and your guests feel important and welcome. Our staff is here to help ensure your event is an absolute success. To schedule a consultation to discuss menu planning and event specifics, please contact our Catering Manager: windowscatering@stonybrookmedicine.edu or call 444-3837.

Ordering
In order to best serve you and plan for your special event, we require notice of 48 business hours. We may not be able to guarantee certain items or service if not given proper time to prepare.

Event Locations, Delivery and Set-Up
It is the client’s responsibility to reserve their event space. If tables are needed, please contact (631) 444-1455. Deliveries are scheduled to be set up 30 minutes prior to the start of the event unless noted otherwise. Please be sure the event space is available and unlocked to allow for proper set-up and clean-up.

Service Staff
Some events require service staff and will be added to your bill as seen appropriate by the catering department. Staffing may also be requested for any event. Please note that staffing is also billed for the set-up and clean-up of the event.

Serviceware/China
All catering orders include disposable utensils, plates, napkins and tablecloths. High quality plasticware is available upon request at an additional charge. Full service China is available to rent for events that would include plates, flatware and glassware at an additional charge.

Linens/Rentals
Linens are available to rent for any event for an additional charge. Whether you need banquet table linens and skirts for an upscale look, or seated table linens for an elegant affair, Windows Catering has you “covered.” Banquet and cocktail tables, chairs and special equipment are also available. Please contact us for any special rental requests.

Payment
Catering events must be paid prior to delivery. Acceptable forms of payment are Purchase Order, CPMP, SBF, Credit Card and Check. We do not accept cash payments. Checks are to be made payable to Faculty Student Association (FSA). PO number is required before confirmation of event. Student account payments through FSA must be communicated to Windows at the time of quote request.

Cancellation
All cancellations must be made at least 48 hours in advance. If an event is cancelled without proper notice, the client will be responsible for payment at the discretion of the catering department. This includes any rentals of linen or equipment. We understand that certain situations are unavoidable and will work with you to reschedule your event.

Dietary Restrictions
We want all of your guests to enjoy your event. Please let us know of any dietary restrictions your guests may have. If you need Gluten-Free, Vegan, Kosher, etc. our Executive Chef will create a menu that everyone can enjoy.

Events Requiring Sterno
As per Stony Brook Medicine Fire Marshall, all events that require sterno set-up must have someone attend the set up at all times. Windows Catering can provide an attendant at an additional cost per hour. If the event planner will secure their own person, a waiver must be signed to provide to the Fire Marshall.

Catering Equipment Replacement Fee
Event planner is responsible for all catering materials left at an event. If items are missing upon pick up, event planner will be charged full cost of replacement.
